in many cases individuals to whom he has heard statements attributed, or from whom he has himself obtained information. I think he has no real idea of how dan ous and unfair a practice this is, both on public and private counts.

But what Kit really came to talk about were German problems. He is going to London tomorrow to attend his daughter's wedding, and while there will see Macmillan. [redacted] idea of internationalizing Berlin and [redacted]

[redacted]

The latest Soviet note proposing a meeting at Warsaw or Prague to agree upon a peace treaty is totally unacceptable and has aroused here unanimous indignation.

Tuesday, January 13, 1959

I went to see the Chancellor this morning at Palais Schaumburg. Von Brentano and Strauss were also there. I outlined the two agreements which we wanted to reach with the Federal Republic Government on nuclear matters. Our proposals were accepted. This question
